Introduction

Degree Works, the Degree Audit System has been upgraded, the upgrade includes new features for students to view their academic progress. This new **Responsive Dashboard** version brings a mobile friendly student dashboard with a fresh and clean look. This adaptable format displays appropriately across different devices and is ADA compliant for accessibility.

This guide highlights important areas for students with a comparison of where they were found in the classic version of the degree audit in conjunction with this new version.

How to Access DegreeWorks

1. Login to the MyUTRGV student portal using an approved web browser.
 - Banner 9 Self-Service Registration is recommended on this web browser: 
2. Select the Application **ASSIST**.
3. Click on **Advising Student Profile**.

4. Select a term and search by one of the options, then click on **View Profile**.

5. The **Student Profile** landing page is now displayed for the student.
6. Click **DegreeWorks** on the left side menu.

The image shows two side-by-side screenshots. The left screenshot is a vertical navigation menu with the following items: Curriculum and Courses, Prior Education and Testing, Additional Links Below, Registration and Planning, View Application to Graduate, Final Grades, Academic Record, and Degree Works (highlighted with a red box). The right screenshot is the 'Student Profile - Brownsville Vaquero' page. It displays a student profile for Brownsville Vaquero, including bio information (Email, Phone, Gender, Date of Birth, Ethnicity, Race, Citizen, Citizenship, Emergency Contact, Emergency Phone), general information (Level, Class, Status, Student Type, Residency, Campus, First Term Attended, Matriculated Term, Last Term Attended, Leave of Absent), graduation information (Graduation Applications), and advisors (Advisors are not assigned for the selected term). The page also shows curriculum, hours, and GPA information, and a table of registered courses.

Course Title	Details	CRN	Hours	Registration Status	Instructor

Degree Audit Elements

Student Header

The student header provides useful information at the top of the degree audit for viewing.

The student header in the classic dashboard is organized in two columns. It displays important information from different fields such as the student’s name, UTRGV ID, classification, academic program information (college, degree type, major, minor and concentration, if applicable, catalog year), outstanding holds, student cohort, sport if an athlete, assigned academic advisor, if applicable, TSI status, and core complete date, if applicable.

Degree Requirements

The Degree Requirements section lists requirements needed to complete a degree and can be found right below the Degree Progress section in both dashboards. Requirements are also called blocks in DegreeWorks.

Classic

✗ Teacher Certification Requirements		Still Needed: See Teacher Certification section	
✗ Language Proficiency Requirements		Still Needed: See Language Proficiency section	

In Responsive Dashboard the degree requirements block is formatted like the classic dashboard with a list of check boxes that state whether requirements have been fulfilled or not.

The audit in Responsive Dashboard is still divided by blocks same as in the classic dashboard but now users will have the ability to collapse sections for quick navigation through to what they are looking for.

The rest of the degree audit is very similar on both dashboards. Blocks as Major Specific Core Curriculum, General Education Core, Major, Concentration, Minor, Teacher Certification, if applicable, are all listed in the same order as the classic dashboard.

Elective Classes Allowed and Elective Classes Not Allowed

DegreeWorks also displays any additional courses that the student has taken, and they are usually divided between Elective Classes Allowed and Elective Classes No Allowed.

Elective Classes Not Allowed are any courses that exceeds the number of credits for Elective Classes Allowed or do not apply to any requirement in the academic audit.

Students should pay attention to this area, since 'In-Progress' courses that appear in this section can affect financial aid eligibility.

In the Responsive Dashboard the Elective Classes Not Allowed block was renamed to Courses Not Fulfilling Degree Requirements.

Legend

This new dashboard also comes with an updated Legend of icons that look slightly different from the classic dashboard.

The icons in the classic dashboard are squares while in the responsive dashboard are circles. The colors for each icon are also very similar in both versions. Requirements completed will show in green, requirements not complete will show in red, and requirements with classes in-progress will show in blue.

A search bar contains "Student ID 1234567" and "Name John Doe". Below the search bar are tabs for "Worksheets" and "Worksheets". A "Format:" dropdown is set to "Student View". To the right of the format dropdown are buttons for "View" and "Save as PDF". A red box highlights the "Process New" button, which is located to the right of the "Save as PDF" button. Below the "Process New" button are two checkboxes: "Include in-progress classes" and "Include preregistered classes", both of which are checked.

In Responsive Dashboard, the Process New Audit feature is located right below the student header. Users have the option to process new audits with preregistered or in-progress classes or without them.

What-If and Look Ahead

Same as in the classic dashboard, the What-if tool allows students, faculty, and staff to apply the students' courses to different majors and minors whether the courses have been completed or in-progress.

The user must select the catalog year, degree type, major. Some majors also require a concentration and/or a minor.

Be sure to select the approved combinations of major, concentration, minor, and degree type based on the catalog year chosen.
